

## **Heroin and Prescription Drug Abuse Town Hall**

Please join Supervisor Pat Herrity, Supervisor Kathy Smith, and School Board Member Jeanette Hough for the second Heroin and Prescription Drug Abuse Town Hall.

In Virginia, more people die from heroin overdoses than car crashes each year. Featured guests include the Drug Enforcement Administration (DEA), Fairfax County Police Department (FCPD), Community Services Board (CSB), Unified Prevention Coalition of Fairfax County (UPC), Substance Abuse & Addiction Recovery Alliance (SAARA), The Chris Atwood Foundation, Fairfax County Public School's Intervention and Prevention Services, and representatives from Congresswoman Comstock's office to bring you a town hall discussion on the epidemic and updates on what is being done and what needs to be done to address this crisis. There will be a brief discussion period at the end where the audience may ask questions.
